

Alpha Colors Disclaimer

The end use and application of this product is not the responsibility of Alpha Graphics, Inc. Alpha will not be held responsible for any unusable color transfers received by the customer after installation. It is recommended that a **sample** Alpha Color™ be installed on the surface you plan to use to ensure the product adheres correctly. Depending on environmental issues, paint issues or surface issues, this product may not be suitable for all installations. If installed after testing a sample first, and it does not perform to expectations, we will assist you via phone or email about methods and tools used. We will not guarantee its application or duration. **There are no refunds or credits of this product as it is a custom-made product.**

Some colors of Benjamin Moore paint do not work well with Alpha Colors™, such as “Navajo White.” Alpha Graphics, Inc. can not guarantee that Alpha Colors™ will adhere to any specific brand, type, or color of paint. Avoid paints that advertise stain or solvent resistance.

NOTE: Each sheet is tested for adhesiveness prior to packing. We pack according to our standards to ensure you receive your transfer sheets in acceptable or good condition. Unfortunately, we cannot guarantee how the carrier handles your package prior to delivery. If you have received a damaged shipment, please document with photos and details (required) and let us know so we can contact our carrier and help you recover the cost of the shipped item.
